Why are we always fighting?
im sick of those words that
you said infront of me
i already said that i was
sorry but you don't
care at all oh
(chorus)

I wish i had a time machine
to go back to the past so
i can fix all the problems
that we had please forgive
me

(sec stanza)
This is not what i like to do
everyday im telling you
that this is not your fault at all
you left me and you broke my
heart your only love can stop
my falling tears
(chorus)

I wish i had a time machine
to go back to the past so i can
fix all the problems that we had
please forgive me
(instruments)

(third stanza)
Calls are to cheap to me
i wanna talk to you in personal
and tell you that im sorry
i'll beg you just forgive me
i'll stop these tears from falling
down and never hurt your heart
again baby
(chorus)

Iwish i had a time machine
to go back to the past so
i can fix all the problems
that we had please forgive
me

(instruments)

(fourth stanza)

I have done a lot
of regrets in my life
even with you
conversation with you
will be much better
so i can tell you
all that im sorry and
everything

(chorus)

I wish i had a time machine
to go back to the past so
i can fix all the problems
that we had please forgive
me

(short instruments)
