This time the magic  
didn't work. The witch  
is powerful than ever.  
No fairy god mother to help  
no happy ever after  
(chorus)

The princess is wounded  
no prince came to rescue her.  
The princess is wounded  
though her love is forever

(sec stanza)  
The glass slipper would have fit  
but destiny changed it's course.  
The apples poison was to strong.  
The mouse didn't turn into horse  
(chorus)  
the priness is wounded  
no prince came to rescue her.  
The princess is wounded  
though her love is forever  
(instruments)

(third stanza)  
No kiss can ever wake her up  
the dark side won for the first time.  
No spell can ever cure her pain  
only true love can complete the ryhme.  
(chorus)  
The princess is wounded  
no prince came to rescue her.  
The princess is wounded  
though her love is forever  
(repeat chorus)  
(instruments)  
(end)
