I'm standing in my corner
And I'm minding my own business
You can do whatever you please
You don't know what I'm about

You don't know who I am
Well I'm no better than the next man
You'll be sorry when it's your turn
To be singled out

Sometimes love's like a fairy tale
But we're human and we make mistakes

Everybody is lonely
I'm leaning on myself
Everybody is lonely
I can't be no-one else
No-one else

I'm tired of all the bullshit
I'm so sick of all the gossip
I don't need your judgement
I don't block your view

I'm standing in my corner
And I'm minding my own business
You can do whatever you please
You don't know what I'm about

Sometimes love's like a fairy tale
But we're human and we make mistakes

Everybody is lonely
I'm leaning on myself
Everybody is lonely
I'm leaning on myself
Everybody is lonely
I can't be no-one else
No-one else
No-one else
