I know what you done behind my back, my love
I know you're ashamed so I won't ask, my love
I know that you know it's the wrong track
It don't change a thing for me
You don't have to say a word 'cause i' got eyes to see
I can't help the way you feel, return to me
I know what you done but what can I do? my love
And when you smile I smile with you, my love
It don't..
Return to me
I know what you done but life must go on, my love
I know that you know where you belong, my love
It don't..
Return to me
