I don't know what you did to me
But I know I want some more of it
Is this the start of something new?
I'd like another taste of you

I want to kiss you
I don't know why but it feels right
I want to see you
Shiver in the morning light

I don't want to wait for this
Lungs are filled with confidence
I wanna see what's underneath
Bring me to the place to be

I want to kiss you
I don't know why but it feels right
I want to see you
Shiver in the morning light
Shiver in the morning light

I want to kiss you
I don't know why but it feels right
I want to see you
Shiver in the morning light
I want to kiss you
I don't know why but it feels right
I want to see you
Shiver in the morning light
Shiver in the morning light
Shiver in the morning light
Shiver in the morning light
Shiver in the morning light
