

## Weeping Willows

### "Somewhere"

I long for us to meet  
But I, I don't know where  
I'll just wait and see  
Until love comes over here

It lies hidden  
There's no sign  
But

Somewhere, someone dreams, someone dreams of  
me  
Somewhere, there's a place  
Somewhere, there is love for me  
Somewhere, there's a heart that beats for me

I long for us to meet  
But I, I don't know when  
I don't know where to seek  
All I know is what I need

It is hidden  
There's no sign  
But
