What will happen when I die
Will I pay for all My crimes
Because sometimes I did fail, although I tried to try
Will You remember me this way
Or will the picture change
It's too late to go back; oh it's much too late
When I was young I didn't care, I was busy crawling
down the stairs
With the voice I thought was mine
I didn't sing, I mime two words that almost rime
Well those where confusing times
Will You remember Me this way or will the picture
change
It's too late to go back; oh it's much too late
When I was young I didn't care, I was busy crawling
down the stairs
Please don't forget Me when I'm gone, 'cause my life
must have some work
And please forgive me if im wrong
'cause I didn't mean to be all wrong
I didn't mean to be
No, I didn't mean to be
I didn't mean to be all wrong
I didn't mean to be
I didn't mean to be
No I didn't mean to be
