Real life killed me on the school bus
Real life wise guys never weep
Real life dying to be famous
Real life happens on TV
Real life covered up in make-up
Real life it's only make believe
Real life I meet you when I wake up
Real life I touch you on a screen
Touch me, touch me
I long to live for real
Touch me, touch me
Im just as human as a human can be
Please touch me
Real life full of imitations
Real life I talk to you in codes
Real life real imagination
Real life I hide behind these clothes
Touch me, touch me
I long to live for real
Touch me, touch me
Im just as human as a human can be
Please touch me
Touch me, (touch me) touch me (touch me)
I long to live for real
Touch me, (touch me) touch me (touch me)
I long to live for real
Touch me, touch me
Im just as human as a human can be
