Now time has passed since we broke up
And I start to see the good things again
I'll never love another girl
Now time has passed and these facts remain the same
You're the best thing that ever happened to me
I'm sorry but at that moment I couldn't see
I wonder if you have some space for me
Or if I'm bound to sail this lonesome sea
Maybe we could try it once again
Maybe we could try it once again
Only you can take away my pain
Only you can make me smile again
Now with some distance I can see
There's good sides and bad sides to us all
I couldn't stand to see you weak
Now time has passed and I'll give you this call
You're the best...
Maybe we...
