Are you with me?

Crawling
From the inside
To the other side

Fighting
For the people
Reuniting

So come on, come on
Let it all out, let it all out
I know you can

Together, together
We're stronger as one
Are you with me?

Together, together
We're stronger as one
Are you with me?

We are opening
Up the future
From the chaos of the dark

Living
In the moments
Leading everyone

So come on, come on
Let it all out, let it all out
I know you can

Together, together
We're stronger as one
Are you with me?

Together, together
We're stronger as one
Are you with me
