Always, send your love to me softly.
Sweetly, turn the pages on always.

In the night, I was born
Lived a new, summer 'morn.
Always, send you love, come to me.
Cause I was destined to be.

Always, rue the day that I loved you.
Sweetness, came on down from above you.

In the night, I was born.
Lived a new summer 'morn.
Always, send you love, come to me.
Cause I was destined to be.

No control in your arms.
Letting go, I hope
You cope,
With me tonight.

(Viola solo)

In the night, I was born.
Lived a new summer 'morn.
Always, send your love, come to me.
Cause I was destined to be.

Mmmm.
