Darlin'

I'm afraid to close my eyes when I'm going to bed
I'm afraid you'll crack the phone down over my head

Why are all American girls so rough?
Damn the girl can't even hurt you enough

Lady

You knocked me on my knees and I can't stand up
You got the look in your eyes to smack my butt

Why are all American girls so rough?
Why do all American girls act so tough?
Damn, the girl can't even hurt you enough

Darlin'

I'm afraid to close my eyes when I'm going to bed
I'm afraid you'll crack the phone down over my head

Why are all American girls so rough?
Damn, the girl can't even hurt you enough

Lady

You knocked me on my knees and I can't stand up
You got the look in your eyes to smack my butt

Why are all American girls so rough?
Why do all American girls act so tough?
Why are all American girls so rough?

That hole you're digging in my ribs
It ain't no real wound
So baby take it easy
Let's try to be friends

Why are all American girls so rough?
Damn, the girl can't even hurt you enough

Lady

You knocked me on my knees and I can't stand up
You got the look in your eyes to smack my butt

Why are all American girls so rough?
Why do all American girls act so tough?
Why are all American girls so rough?

American girls
American girls
Why are all American girls so rough?

American girls
American girls
American...
Why are all American girls so rough?

American girls
American girls
American...
Why are all American girls so rough?

Why are all American girls so rough?
