Got absinthe
Got Gaudi
And I got Jamboree
Got my chicas
Maria, Anna, Monica
And I got Noemi

[a what ya gotta]

Got Picasso Blue [got Picasso Blue]
And I got the Good Bar Crew
Got Bikkini
And the New York disco
Got surreal Dali
Oh, yeah

Lost and rollin', driftin' loosely on my own through

Barcelona, Barcelona
Catalonia, take over
Barcelona

Got Iberia Got Oveja Negra
Got Zeleste
And the Karma dub
I got the Pipa Club

Got Picasso Blue [got Picasso Blue]
Got a senorita too
The Panam's sex show
Got my transvestites
At the Top of the Mountain disco
Yeah

Lost and rollin', I don't got much to go back to
Lost and rollin', driftin' loosely on my own through

Barcelona, Barcelona
Catalonia, take over
Barcelona

[oh oh] Barcelona
[oh oh] Barcelona
[oh oh] Barcelona
[oh oh] Barcelona

My sweet angel, Barcelona
Hide me safely, give me shelter
In a dark place, under assumed name, through
Catalonia
Lost and rollin', driftin' loosely, no occupation,
Barcelona
The last angel, Barcelona
