Well you're very good  
At what should never be attempted at all  
But it pays the bills  
Emptiness encased in politics  
Then wrapped inside a clear coat  
Of waste and stupidity

Is this what you want? Is this your big plan?  
It's just that it's so....

I know where you're from  
Snd furthermore I know  
Exactly where you're going  
But I don't want to jinx it  
Well you're very good at what should be considered  
Nothing at all  
But somehow it's not

Is this what you want?  
Is this your big plan?  
It's just that it's so...

Be careful what you wish for!  
Be careful what you wish for!  
Be careful what you wish for!...
