The moon was shining on the lake at night
The Slayer t-shirt fit the scene just right
Smear'd mascara, I looked into your eyes, I saw a light
You told me stories about your chickadees
They didn't like BB guns or stupid archery
John the lifeguard, he let them use the pool all day for free

Then the conversation stopped, and I looked down at my feet
I was next to you and you were right there next to me
Then I said girl,
If you're wondering if I want you, (I want you to) I want you to
So make a move, (Make a move) 'cos I ain't got all night

The rest of the summer was the best we ever had
We watched Titanic, and it didn't make us sad
I took you to Best Buy, you took me home to meet your Mom and Dad
Your Mom cooked meatloaf even though I don't eat meat
I dug you so much, I took some for the team
Your dad was silent, his eyes were fixed on what was on TV

Then the conversation stopped, and I looked down at the ring
Your folks were next to you, and you were right there next to me
Then I said girl,
If you're wondering if I want you, (I want you to) I want you to (I want you to)
I swear it's true (I swear it's true) without you, my heart is blue
Girl,
If you're wondering if I want you, (I want you to) I want you to
So make a move, (Make a move) 'cos I ain't got all night

So much pain may come our way

There may come a day when we have nothing left to
say
When the conversation stops, and we're facing our
defeat
I'll be next to you and you'll be right there next to me

Then I'll say girl,
If you're wondering if I want you, (I want you to) I want
you to (I want you to)
I swear it's true (I swear it's true) without you, my heart
is blue
Girl,
If you're wondering if I want you (I want you to) I want
you to
So make a move, (Make a move) 'cos I ain't got all night
