You'll never be
A better kind
If you don't leave
The world behind

Waste my days
Drown away

It's just the thought of you
In love with someone else
It breaks my heart to see you
Hangin' from your shelf

You'll never do
The things you want
If you don't move
And get a job

Waste my days
Drown away

It's just the thought of you
In love with someone else
It breaks my heart to see you
Hangin' from your shelf

Oh girl, when I'm in love with you
Keep fishin' if you feel it's true
There's nothin' much that we can do
To save you from yourself

Waste my days
Drown away

It's just the thought of you
In love with someone else
It breaks my heart to see you
Hangin' from your shelf

Oh girl, when I'm in love with you
Keep fishin' if you feel it's true

There's nothin' much that we can do
To save you from yourself

You'll never be
A better kind
You'll never be
A better kind

(And get a job)Waste my days
(And get a job)Waste my days
(And get a job)Waste my days
(And get a job)Waste my days
Waste my days

(Waste my days) Whoa-oh
(Waste my days) Whoa-oh, whoa-oh
(Waste my days) Oh, oh
(Waste my days) Oh, oh
Waste my days
