"Knock Down Drag Out"

Any day now you'll call me up on the phone
Say you love me more than you ever did before

It's all that I can do right now
To make it up to you somehow
And meet you on the other side of home

Take no prisoners here in this knock-down drag-out war
That we're waging on each other forever more

It's all that I can do right now
To make it up to you somehow
And meet you on the other side of home
Say you love me now

It's all that I can do right now
To make it up to you somehow
And meet you on the other side of home
Say you love me now

Take no prisoners here in this knock-down drag-out war
That we're waging on each other forever more
That we're waging on each other forever more
