"Longtime Sunshine"

Sometimes i wanna pack it all up, get on a bus and
move to vermont
Or maine, or any of those states back east that i
remember
Sometimes i wanna go back to school to an east coast
college with some history
I'd be satisfied, i know, in the simple things

Longtime sunshine, longtime sunshine upon me

Sometimes i wanna build a house with a woodstove or
a fireplace
In the middle of the living room an old piano
Sometimes it don't seem so bad to settle down with a
good woman
Leave this lonely life behind forever and ever

Longtime sunshine, longtime sunshine upon me
Longtime sunshine, longtime sunshine upon me

Sometimes i wanna get in a car, close my eyes and
drive real fast
Keep on going 'til i get some place where i can truly
rest

Longtime sunshine, longtime sunshine upon me
Longtime sunshine, longtime sunshine upon me
