Until a better time  
You walk along that line  
Love me  
Love me

You do it  
You do it  
Until you're blue  
You want it, ah

Into another place  
You walk along the face  
Love me  
Love me

You do it  
You do it  
Until you're blue  
You want it, ah

Sandwiches time  
Sandwiches time  
Sandwiches on my mind

You do it  
You do it  
Until you're blue  
You want it, ah

Sandwiches time  
Sandwiches time  
Sandwiches on my mind

Into another place  
Into another place  
Oh, oh, oh, oh, oh
