[Say Goodbye, Forever]

Come here and pick me up [I'll take you out]
Let's go to dinner [we could do whatever]
I know you don't know me at all and [I don't know you
and]
You don't do things like this ever

It's so nice [it's so nice] in your car [and in my car]
The music sings sweetly [the stereo is playing]
Walk across the bridge to the beach [Santa Monica]
Yeah, kiss you while it's raining [yeah, kiss you while
it's raining]

[and it's raining]

Say goodbye [so say goodbye]
Say goodbye forever [goodbye forever]
I'm in such a lonely place [it's a lonely place]
And I could be forever [goodbye]

Your place is so much different than mine [but it's so
normal]
It's so calm and peaceful [so quiet and empty]
I could lay in your living room [you could stay in my
room]
As long as possible

In the back of the taxi I feel [I watched you get in the
taxi]
Loss of home and country [you still don't know me]
Back down to the storage space, yeah [as you go
down]
L.A. can be so lonely

Say goodbye [so say goodbye]
Say goodbye forever [goodbye forever]
I'm in such a lonely place [it's a lonely place]
And I could be forever [goodbye]

I know this is the only day we'll spend together

[strange days, strange nights, short time, strange life]
And I know, I know, I know, after this it's over forever
[strange days, strange nights, a strange place in a
strange life]
Oh

Say goodbye [so say goodbye]
So say goodbye forever [goodbye forever]
You've put me in a lonely place [in a lonely place]v
Where I could be forever [I could be forever]
So say goodbye [so say goodbye]
Say goodbye forever [goodbye forever]
You put me in a lonely place [in a lonely place]
Where I could be forever
