Fall leaves falling
Colder than air
Too bad she ain't coming
Alone right here

And I got the prettiest girl in the whole wide world
And nobody can take her from me
And if even when she goes out walking alone
I waited home patiently

I've never been so happy
I've never been so sure
Ohh...

Memories are gone
All in the wind
All the things return to me
All coming clear

I've got the prettiest girl in the whole wide world
And nobody can take her from me
And if even when she goes out walking alone
I waited home patiently

I've never been so happy
I've never been so sure
I've got the prettiest girl in the whole wide world
No one knows

Fun times are falling
All over again
Ten thousand calling
All of my time

I've got the prettiest girl in the whole wide world
And nobody can take her from me
And if even when she goes out walking alone
I waited home patiently

I've never been so happy
I've never been so sure

I've got the prettiest woman in the whole wide world
No one knows
