The world has turned and left me here
Just where I was before you appeared.
And in your place an empty space
Has filled the void behind my face.

I just made love with your sweet memory,
One thousand times in my head.
You said you loved it more than ever,
You said.

You remain, turned away.
Turning further everyday.

The world has turned and left me here
Just where I was before you appeared.
And in your place an empty space
Has filled the void behind my face.

I talked for hours to your wallet photograph
And you just listened.
You laughed enchanted by my intellect
Or maybe you didn't.

You remain, turned away.
Turning further everyday.

The world has turned and left me here
Just where I was before you appeared.
And in your place an empty space
Has filled the void behind my face.

You remain, turned away.
Turning further everyday.

The world has turned and left me here
Just where I was before you appeared.
And in your place an empty space
Has filled the void behind my face.

The world has turned and left me here (Do you believe
what I sing now?)

Just where I was before you appeared.(Do you believe
what I sing now?)
And in your place an empty space(Do you believe....)
Has filled the void behind my face.(....eeve?)

Do you believe what I sing now?
Do you believe what I sing now?
Do you believe...eeve?
