These days [these days]
I may not be so happy
Afterall [afterall]
After all that I have gained
I still feel sad
When I'm all alone

I may have failed back at the K
I may not be so swift afterall
All the chances you have given me
I just let you go

I guess I've been like this before
Sometimes I can't stand up and be a man
But god why would I lose it now
When I need my strength at hand

You know sometimes I can be real cool
All the words just seem to flow right along
But when that girl approaches me
Well it all goes wrong

These days [these days]
I may not be so happy
Afterall [afterall]
Afterall that I have gained
I still feel sad
When I'm all alone

These days leave me
Hopelessly delirious
I wish these days would end
Oh lease end

These days [these days]
I may not be so happy
After all [afterall]
After all that I have gained
I still feel sad
When I'm all alone

These days [these days]
I may not be so happy
Afterall [afterall]
Afterall the chances
You've given me
I just let you go
