When your out with your friends
In your new Mercedes Benz and you're
In love
And you show up late for school cause
You think your really cool when you're
In love
And you put on your headphones
And you step into the zone when you're
In love
But the world don't care
If you are or are not there
Cause you're in love

Give it to me
We are all in love yeah
Never getting enough (Never get enough)
We are all in love yeah
Give me some of that stuff (Woooooh)

And you twitch in your seat cause
You wanna hit the street when you're
In love
And you cause such a fuss cause
There's no one you can trust when you're
In love
And the best of your days
Will all vanish into haze when you're
In love
And you wish you could quit cause
You're really sick of it but you're
In love

Give it to me
We are all in love yeah
Never getting enough (Never get enough)
We are all in love yeah
Give me some of that stuff (Woooooh)

I want to reach a higher place
But things will never be the same (Uh)

Give it to me
We are all in love yeah
Never getting enough
We are all in love yeah
Give me some of that stuff (Woooooh)

We are all in love (We are all in love)
[x4]
(Woooooh)
