## Weerd Science "Worry Rock"

Visit "Worry Rock" on MotoLyrics.com

Another sentimental argument and bitter love Fucked without a kiss again and dragged it through the mud

Yelling at brick walls and punching windows made of stone

The worry rock has turned to dust and fallen on our pride

A knocked down dragged out fight Fat lips and open wounds Another wasted night And no one will take the fall

Where do we go from here? And what did you do with directions? Promise me no dead end streets And I'll guarantee we'll have the road
