Oh, baby, baby, don't you leave me here to make it  
alone.  
'Cause I don't think that I could take it for a day on my  
own.  
Why would you want to hurt me?  
Well, I love you baby, can't you see,

That you're precious to me?  
And I can't let you go.  
Maybe one day you'll see,  
That you'll always be,  
So precious to me.

Why would you want to hurt me?  
Well, I love you baby, can't you see,

That you're precious to me?  
And I can't let you go.  
Baby, one day you'll see,  
That you'll always be,  
So precious to me.

Well, maybe baby you can tell me when will we meet  
again?  
If I can't be your one, I know that then I'll have to  
pretend,  
That you're still on with me,  
Girl I love you so affectionately,

'Cause you're precious to me.  
And I can't let you go.  
Baby, one day you'll see,  
That you'll always be,  
So precious to me.

You're so precious to me.  
And I can't let you go.  
Baby, one day you'll see,  
That you'll always be,  
So precious to me.  
To me,

You're so precious to me,  
You're precious to me.
