"Two Heads"

Well, I remember the sparks that flew
In the Summer of '79.
My brother went wild for a pretty girls' smile
But he didn't care that she was mine.
We fought each other, like never before.
And beat 'til we were black and blue.
And when we told her it was time, she made up her
mind.
She said "I've had it with the both of you".

That was when the pact was made
That no woman could sever.
We swore it brother for the rest of our lives
that we would stick, together forever
'cos two - heads - are better than one.
Its double the pleasure babes, triple the fun.
I said two - heads - are better than one
It'll make you come undone.
Two heads are better than one.

Well we found ourselves in Vegas, the city of sin
We were restless and looking to play
When this little blonde dolly in the hotel lobby
Blew a kiss as she walked our way.
She said "I'm feelin' kinda lonely" and gave us a wink.
Feelin' though we'd expressed our intentions.
We said "you gotta have both",
She said "that's a joke, it takes two just to get my
attention".
Hope to share and share alike, thats apart of our
lifestyle.
So I'm gonna tell ya baby just where we stand,
If you won't let us both, it ain't worth while

Cos two - heads - are better than one.
Its double the pleasure, triple the fun.
I said two - heads - are better than one
It'll make you come undone.
Two heads are better than one.

We've come this far together, its too late for turning

back.
But its only fair to warn you,
when you rock with the boys,
you'll never go back.

Two - heads - are better than one.
It's double the pleasure, triple the fun.
I tell ya two heads are better than one
It'll make you come undone.
Nothing's better than, two heads are better than one
It's double the pleasure babes, triple the fun.

Two heads are better than one
Two heads are better than one
Two heads are better than one
Two heads are better than one
