[Intro]

See when someone's hating on you It just gives you rage but It isn't worth it You're just being on top day by day You feel me

[Hook]

I love my haters And they love me

Using my name in every sentence Cause they love me [Spreading rumors round town talking about me But when I ran up on 'em they say it ain't me (X2)](1544628)

[Verse 1]

I must be doing somethin' right cause I got haters And they doing somethin' wrong since they are haters](1544632)

[Don't let them break you down (NO)

They are your motivators (TRUE)](1544638)

[Keep talking all you want your mouth got powers savers?](1544648)

I turn my swag on

When I dress fly

You try to steal my swag but you dont know my code required

Acces Denied

That's an error message

If you're following me then send a direct message

[Just for being cool

I got an award

It's these simple things in life you can't afford

The snapbacks or the new snicker

You put the H.A.T.E.R

In the word HATERS

[Hook]

I love my haters

And they love me

Using my name in every sentence

Cause they love me Spreading rumors round town talking about me But when I ran up on 'em they say it ain't me (X2)

[Verse 2]

They hate me and rate me Simply cause they ain't me I'm doing my best so that I could live greatly You're not

Then you're lame So just quit saying my name

Cause ain't you getting the fame

Cause your name isn't my name

(WAIT)

Don't call "em haters

Call 'em motivators

They can bring you to the top, so use them as elevators

I don't hate you

Hating you would mean I care

I'm sitting on you haters

I might not need a chair (BOW)

[Hook]

I love my haters

And they love me

Using my name in every sentence Cause they love me

Spreading rumors round town talking about me

But when I ran up on 'em they say it ain't me (X2)
