I'm wound tight
Hot-wired
About to explode

I'm seein' red
All hopped up
And ready to go

I'm hurtin' and I'm searchin' for a place
Where I can deliver

I wanna scoot so fast that my head snaps
Back together

It's ok, not ok, it's ok, not ok, it's ok (x2)

Go monkey go
Mojo Jojo
Go monkey go
Mojo Jojo
Go monkey go
Mojo Jojo

Tell me tell me where to go
Tell me tell me where to go

There's nothing I can do
To fix what's wrong with me!
