THE NEXT TIME vs CLIFF RICHARD - AA with BACHELOR BOY

03/01/1963 - 3 weeks at #1 - 18 weeks on chart

They say I'll love again someday
That truer love will come my way, the next time
But after you there'll never be a next time for me

They say that I'll find happiness
In someone else warm caress, the next time
I'll soon forget your kiss
And heartaches such as this will just be ancient history

They say that I'm a fool to weep
And I won't go on losing sleep, the next time
That someone else will mend the heart you've broken
in two
But how can I fall in love the next time
When I'm still so very much in love with you

They say that I'm a fool to weep
And I won't go on losing sleep, the next time
That someone else will mend the heart you've broken
in two
But how can I fall in love the next time
When I'm still so very much in love with you

When I'm still so very much in love with you
