THE YOUNG ONES vs CLIFF RICHARD
11/01/1962 - 6 weeks at #1 - 21 weeks on chart

The young ones, darling we're the young ones
And the young ones shouldn't be afraid
To live, love, while the flame has sprung
Cause we may not be the young ones very long

Tomorrow, why wait until tomorrow
Cause tomorrow sometimes never comes
So love me, there's song to be sung
And the best time is to sing it while we're young

Once in every live time, comes a love like this
Oh I need you, you need me
Oh my darling can't you see

Young dreams should be dreamed together
And young hearts shouldn't be afraid
And some day when the years have flown
Darling then we'll teach the young ones of are own

Once in every live time, comes a love like this
Oh I need you, you need me
Oh my darling can't you see
Young dreams should be dreams together
And young hearts shouldn't be afraid
And some day while the years have flown
Darling then we'll teach the young ones of are own
