You tell me that you love me, baby

Then you say you don't

You tell me that you'll come on over

Then you say you won't

You love me like a hurricane

Then you start to freeze

I give it to you straight right now

Please don't tease

Ohh, please don't tease me

You know it hurts so much

Come on and squeeze me

You know I long for your tender touch

You come right out and tell me

You're out with someone new

You play it, ohh, so doggone cool

I don't know what to do

You never seem to answer me

You just don't hear my pleas

I give it to you straight right now

Please don't tease

Ohh, please don't tease me

You know it hurts so much
Come on and squeeze me
You know I long for your tender touch
You come right out and tell me
You're out with someone new
You play it, ohh, so doggone cool
I don't know what to do
You never seem to answer me
You just don't hear my pleas
I give it to you straight right now
Please don't tease
