It won't be easy, you'll think it's strange

When I try to explain how I feel

And that I still need your love

After all that I've done

You won't believe me

All you will see is a girl you once knew

Although she's dressed up to the nines

At sixes and sevens with you

I had to let it happen, I had to change

Couldn't stay all my life down at heel

Looking out of the window

Staying out of the sun

So I choose freedom

Running 'round, trying everything new

But nothing impressed me at all

Well I never expected it too

Don't cry for me, Argentina

The truth is I never left you

All through my wild days, my mad existence

I kept my promise, don't keep your distance

As for fortune and as for fame

Well I never invited them in  
Though it seems to the world  
They were all I desired  
They were illusions  
They're not the solutions they promised to be  
The answer was here all the time  
I love you and hope you love me  
Don't cry for me, Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance  
I kept my promise, don't keep your distance
