Come softly darling, come to me stay
You're my obsession, forever & a day
I want, want you to know, I love, I love you so
Please hold, hold me so tight, all through, all through
the night
Speak softly darling, hear what I say
I love you always, always, always
I've waited, waited so long, for kisses & your love
Please come, come to me, please come, softly
I want, want you to know, I love, I love you so
I need, need you so much, I want to feel your touch
Come softly darling...
