[Canibus]

Yo (Die Slow)

Yea (Die Slow)

Ya niggas better..(Die Slow)

Uh (Die Slow)

All you can do is (Die Slow) nigga (Die Slow)

(Die Slow) 4x

All you can do is die (Slow)

Yea

(Die Slow) 2x

Fuck ya'll

(Die Slow) 2x

Die Slow nigga

(Die Slow)

(Canibus)

Yo

You against me.. No contest

My tongue hydraulics

Strong enough to flip a 64 impala with 3 adult
passengers

and a 4 hundred pound driver

And drown you in less than an ounce of your own saliva

Rubberface rappers get, stretched like elastic

Claymation characters wit verbal vernacular

Slappin' ya, like a white water rafter

Or a Olympic kayaker, paddlin' across the Niagara

My afterburners'll be burnin' you after

Ya' body already been splashed with acid

And you turn to ashes

Assassins camouflaged in the grass blastin'

Leavin' blood all over ya' lady like Jackie O'Nassis

I'll fly ya' body outta Dallas

Perform plastic surgery while we airborne and switch
caskets

Then lie to the masses

I'll tell'em that you got murdered over some East West
beef, between rappers

Radio stations'll express they sadness

Play classics back to back and pass out "Stop The
Violence" pamphlets

Just imagine, every night ya' girls fuckin' ya' best friend
While you in hell throwin' tantrums
I'll be lampin' in a mansion somewhere out in the
Hamptons
Givin' some pretty ass bitch a spankin'
Nigga you can't win
I'm laughin' cause you a has been
You'll never get ya' groove back
So don't even bother askin', Angela Bassett
You'll just get ya' ass kicked
Get ya' head chopped off and dropped in a basket
My left arms taken but my right ones free
That means I could diss another muthafuckin' emcee
Wit rhymes that appear clearer than liquid crystal
My lyrical is more visual than television screen pixels
I fire pistols, hit you wit' minature missles
Riddle ya' body wit' holes then watch the blood sprinkle
Ya probably had no idea what you was gettin' into
On the mic, Can-I-Bus is invincible
Fuck you

(CONVO 1)

("Die Slow" through out the convo)

Hey Yo that nigga got an attitude

Yeah he be actin' rude

And he's always trynna' battle you

That last album was terrible

When he's on the radio he never got a clean mouth

Yeah everytime he freestyles, his words be gettin'
bleeped out

You got the album?

Naw I heard it was weak

You got the album?

I said it was weak

But the shit don't come out till next week

Hey Yo I like the nigga's beats

Yo that shit be comin' bugged out

Hey Yo that nigga Bis dumbs out

He waited too long to come out.....

(Journalist)

To you bitch niggas who talk alot

But walk the block, in halter tops

Left side of ya chest, mark the spot

That's where a nigga put it, when i'm hooded

Then fill you up wit big bullets

Prepare you for some channel 6 footage

Know what is, Me and Bis, runnin' through ya courtyard

Creepin' wit a four-five and reachin for ya door knob

Throw a gun under ya chin, see how quick your whore
rise

One shot could have a short slide, right out the North
side
Your whole flow is porkrine
Spit the small oints
I'm nasty, but my small joints grip the bar point
Drop on top of the blue line..right beside the red one
Keep the flow fairsome, 'till the day my career done
Bring it to ya ass if you the challengin type
Especially those, surroundin' the mic
Sound of the light
To the Journ, ya'll ain't no suitable spitters
True to you niggas
Lay you out on MD's, recoupin' ya liver
Shoutin' my name,
Ya best to control the noise soldier boy
Or homicide will be all over you poys with Polaroids

(CONVO 2)

("Die Slow" through out the convo)
