You got something started
You got something started
You got something started
I don't know what I'm doing x2

Don't know what I'm gonna do now
You got me feeling all right
You got me feeling
Riding into the sunset
You got me feeling all right
You got me feeling x2

We got all the numbers
We got all the numbers
We got all the numbers
I don't know what you're doing

You got something started
You got something started
You got something started
I don't know what you're doing baby

Don't know what I'm gonna do now
You got me feeling all right
You got me feeling
Riding into the sunset
You got me feeling all right
You got me feeling

Don't know what I'm gonna do now
You got me feeling all right
You got me feeling
Riding into the sunset
You got me feeling all right
You got me feeling

You got me feeling all right
You got me feeling x4

Don't know what I'm gonna do now
You got me feeling all right

You got me feeling
Riding into the sunset
You got me feeling all right
You got me feeling x2
