My how you've grown
I think I'll call you on the telephone
And tell you all the things that I've been missing
Turn out the lights
Where we're going we don't need 'em tonight
We're at your daddy's home
But he's not listening

You make me crazy when you
Talk like that
I might go crazy when you
Talk like that
You know I love it when you
Talk like that
And girl are crazy when you
Talk like that
You make me crazy when you

Our time has come
Start of the race and we're ready to run
We're on a roll tonight and you wont fight it
Don't like to see
Send them a memo, Tough Titties!
They ought to try sometime they might just like it

Talk like that
I might go crazy when you
Talk like that
I little creepy when you
Talk like that
Girl I love it when you
Talk like that
You make me crazy when you

You make me crazy when you
Talk like that
I might go crazy when you
Talk like that
A little scary when you
Talk like that
Kid I love it when you

Talk like that
You make me crazy when you
