Ooh skat

Am I pleased to meet ya
Picture from the people
Somethin' I got to teach ya

Ooh crack

You're quite the creature
Girl from the creature feature
Tasty like to eat ya
Thinkin' so nasty

Just got me feelin'
So nasty

Ooh pop

Take you from the 80's
Bimbos rock the latex
Dingos catch the babies

Ooh stop

Look we're ready to rumble
Girlfriend can you show me
The way that the cookie crumbles
Thinkin' so nasty

Just got me feelin'
So nasty

Keep it rockin baby
Don't try to hide it no
Give me something and I won't try to fight it no
All the troubles in my mind they don't feel so bad
When you got me in your palm slidin' in your hands

Ooh snap

Girls got to eat ya

Cookin' I gots to t-bone
Hungry I need to feed her

Ooh chung

Touched quite a female
Checked all the styles she show
Chick don't reply to email
Thinkin' so nasty

Just got me feelin'
So nasty

Keep it rockin' baby
Don't try to hide it no
Give me somethin and I won't try to fight it no
All the troubles in my mind they don't feel so bad
When you got me in your palm slidin in your hands

Keep it pumpin' baby
Don't try to hide it no
Give me somethin and I won't try to fight it girl
All the problem in the world I don't understand
When you got me in your arms sliding in your hands

Yippiyo-ay
When you wear a smile

Yippiyo-ay
When you rock a frown

Yippiyo-ay
When you throw one off

Yippiyo-ay
When you comin' round

Yippiyo-ay
When I'm feelin' bad

Yippiyo-ay
When I'm feelin' sad

Yippiyo-ay
Oh it ain't so bad

Yippiyo-ay
When I'm in your hands

Keep it rockin' baby
Don't try to hide it no

Give me somethin' and I won't try to fight it no
All the troubles in my mind they don't feel so bad
When you got me in your palm slidin' in your hands

Keep it pumpin' baby
Don't try to hide it no
Give me somethin' and I won't try to fight it girl
All the problem in the world I don't understand
When you got me in your arms slidin' in your hands

(Yippiyo-Ay x4)

Keep it rockin' baby
Don't try to hide it no
Give me somethin' and I won't try to fight it no
All the troubles in my mind they don't feel so bad...
