Lyrics by: Rory Winston

You donned 'saudade'  
The finest of brands  
Loved third world children  
That matched your UNICEF bag  
- "The new black"

Na na na na nasty  
Flirting with pain that others have  
Na na na na nicely  
Being so good that everyone felt so bad

You recycled pity  
While cycling to class  
Environmental  
But mental was where you were at  
And you'd hang around and hang on  
Till you'd hang up and let others hang  
- "Ooh what class"

Na na na-na nasty  
Flirting with pain that others have  
Na na na-na nicely  
Being so good that everyone felt so bad

Your bleeding heart drowned us inside  
You're so real  
It's unreal and designed  
It's our tears that fell from your eyes  
Surfing for loss, you accessorized

Na na nana naughty  
Good little girl talking to trash

Na na na-na nasty  
Flirting with pain that others have  
Na na na-na nicely  
Being so good that everyone felt bad

Na na na-na nasty  
Flirting with pain that others have

Na na na-na nicely

... Bittersweet toys to make good little boys feel bad.
