In my head

i was wastin' away

who got lucky when i couldn't stay

testify my reasons and my worries

i'm runnin' hot but there's nowhere to go

walk that walk hopin' nobody knows

she was rich but i was beautiful (gotta change the world  
around me)

all the fun we never had

lookin' on back child

all the fun we never had

lookin' on back child

cause i'm in love with the better half of me

looking back on vanity

the wounds i'm feeling have troubled my plan

a longer distance ain't makin' the man

should have tried to learn my lesson well

amplified by the days on my own

recognizin' my blood from my bone

she was rich but i was beautiful (gotta change the world  
around me)

all the fun we never had

lookin' on back child

all the fun we never had

lookin' on back child

cause i'm in love with the better half of me

looking back on vanity
