Whisper: I am Out Of The Ghetto

i lived in jersey all my life  
sometimes i even had to sleep with a knife  
watching my back ass i crossed the street  
as i look deep  
thugs watching my every move  
all they want is to see how i groove  
even though i am that thuggish bitch i relize that really i  
am the best of bitches

Out Of The Ghetto (2X)

Even though i was dealer  
sometimes i wonder if i would ever get threw it  
my mom was a crackhead  
She Smoked everytime i hit the bed  
my father was a man  
he took his from where he'd stand  
i am just one of the others m  
i am a thug i can't be broke

Out Of The Ghetto(4x)
