He's gone 2000 miles
Is very far
The snows falling down
It's colder day by day
I miss you

The children were singing
He'll be back at Christmas time

In this frozen and silent nights
Sometimes in a dream
You appear

Outside, under the purple sky
Diamonds in the snow
Sparkle

Our heart were singing
It felt like Christmas time

2000 miles
Is very far to the snow
I think of you
Wherever you go

He's gone 2000 miles
Is very far
The snows falling down
It's colder day by day
I miss you

I can hear people singing
It must be Christmas time

I hear people singing
It must be Christmas time
