Biker, they tell me  
You're a dangerous lover  
Well, that might be true

Oh, but I'd never ride with another  
Maybe they've never had their arms around  
Anything so wild and free

You bring the biker out in me

I can't understand it  
Why people give you grief?  
You play the one armed bandit  
Like and outlaw with a belief

To them it's the norm  
For a man to conform  
To a godless society

You bring the biker out in me  
You bring the biker out in me

Because they've no interest  
In the struggle to obtain  
The status and bogus desires  
That drive most people insane

You who have nothing have  
Something that only the 1per cent  
Could ever see

You bring the biker out in me  
You bring the biker out in me
