Remember the nights I cried  
You were doing that old Cuban Slide  
All night I tried and tried  
I could not master the Cuban Slide

Remember the night I started to weep?  
Under lights you did the 'creep'  
That night, I could not sleep  
Oh Lord, how goes the creep?

Ai, yi, ai, wanna dance but my feet won't let me  
Ai, yi, ai, yi, wanna dance would someone help me  
Ai, yi, ai, yi, wanna dance but my feet won't let me  
Ai, yi, ya

Last night I could not talk  
On the street you did the Charring Cross walk  
Up and down, I swoop and stalk  
Only I can run but I can't walk

Ai, yi, ai, wanna dance but my feet won't let me  
Ai, yi, ai, yi, wanna dance would someone help me  
Ai, yi, ai, yi, wanna dance, my feet won't let me  
Ai, yi, ya

Remember the nights I cried  
You were doing that old Cuban Slide  
All night I tried and tried  
I could not master the Cuban Slide

Ai, yi, ai, wanna dance but my feet won't let me  
Ai, yi, ai, yi, wanna dance, would someone help me  
Ai, yi, ai, yi, wanna dance but my feet won't let me  
Ai, yi, ya

Now dance
