[Incomprehensible]

Dance  
If you will  
Dance  
On your capitol hill

Dance  
If you can  
Dance  
Like a twentieth century man

Take the public by the throat  
Give 'em a reason to give you a vote  
Take your audience up on stage  
Let them think you're a sage, come on

Dance  
If you want  
Dance  
Like you've got a house to haunt

Dance  
Like a freak  
Dance  
Like you needed it all week

Take your people by the hand  
Tell 'em you'll get 'em to the promised land  
Take your woman in the heat of the night  
Make her think you're right, come on

[Incomprehensible]

Dance  
Like a chimpanzee  
Dance  
In the land of the free

Dance  
Like a Russian ballet

Dance  
Like a funky situs

Let 'em know that you're well read  
Quote the things that Jesus said  
Lift your face and your whiskey neat  
To get you up on your feet, come on

Get up  
[Incomprehensible]  
Get up  
Get up  
[Incomprehensible]

[Incomprehensible]  
Yeah  
Come on  
Dance  
Oh, boy  
Get up  
[Incomprehensible]
