Legalise me  
Oh, I want the legal right to be me only me  
Legalise me, bail me, jail me  
But they're never gonna nail me  
Pharmaceutically

I was sleeping like a baby in bed  
When I woke up to a voice in my head  
"We're all outta rooms  
Try down the road is what I said"  
I'm just a farmer and I grow marijuana

Oh, baby doll  
Can you tell that I like that?  
Oh, baby doll  
We're gonna rattle your combinations  
Up and down

Legalise me  
Oh, I gotta gotta gotta feel free really free  
Legalise me  
Wake me, shake me  
If they're gonna come and take me  
Make it legally

I been campaigning for  
The rights of the meek  
I've been holed up  
In a tree most the week

Hey, sir, your crush boxes  
Are starting to leak  
They're saying, "Never"  
But we'll wait here  
Forever and ever and ever and ever

Oh, baby doll  
Can you tell that I like that?  
Oh, baby doll  
We're gonna rattle your combinations  
Up and down

And if I wanna shake my hair in the sun  
Don't try to flail me  
For offending anyone  
I don't take Prozac

And I'll never own a gun  
I'm just a farmer  
But, I swear I'd never harm her

Oh, baby doll  
Can you tell that I like that?  
Oh, baby doll  
We're gonna rattle your combinations  
Up and down
