"Nobody Loves Me"

aint nobody loves me like my baby
no body can make me feel the way I feel
aint nobody loves me like my baby
I know my baby love for me is real

when I'm down she brings me round
she takes me where I need to be

aint nobody loves me like my baby
nobody can put that smile back on my face

aint nobody loves me like my baby
my baby's love can't be replaced

when I'm down she brings me round
she takes me where I need to be

aint nobody loves me like my baby
no body can make me feel the way that I feel

aint nobody loves me like my baby
I know my baby love for me is real

aint nobody loves me like my baby
nobody can put that smile back on my face

aint nobody loves me like my baby
my baby's love can't be replaced

aint nobody loves me like my baby
no body can make me feel the way that I feel

aint nobody loves me like my baby
I know my baby love for me is real

aint nobody loves me like my baby
no body can hold me and loves me like she does
