You don't love me anymore  
I can feel it  
But I want you more than before  
So I conceal it

Walk on, walk on baby  
Don't look back  
This happy face is just a disguise  
Oh baby, when love dies

Nothing breaks like a heart  
Nothing breaks like a heart  
Glass shatters, even cars fall apart  
Nothing breaks like a heart

When you walked out  
At first I celebrated  
But this footloose fancy  
Free stuff's overrated

Oh, I got my way  
Now I'm free to roam  
These tears of laughter are just lies  
Oh baby, when love dies

Nothing breaks like a heart  
Nothing breaks like a heart  
Glass shatters, even cars fall apart  
Nothing breaks like a heart

Oh, oh, oh, I feel so bad, bad, bad  
Oh, oh, oh, I'm so sad, sad, sad  
I wasn't this shook in the L.A. earthquake  
How much one heart break?

You don't love me anymore  
I can feel it  
But I want you more than before  
So I conceal it

Walk on, walk on baby

Don't look back  
This crumbling heart is no surprise  
Oh baby, when love dies

Nothing breaks like a heart  
Nothing breaks like a heart  
Glass shatters, even cars fall apart  
Nothing breaks like a heart

Oh, nothing breaks like a heart  
Oh, nothing breaks like a heart  
Oh, nothing breaks like a heart
