You believed in me  
When you had nothing to gain  
You stood by me  
You walked out in the falling rain  
To find me  
Waiting in the shadows behind me

Baby please  
Please  
Won't you do it one more time  
Do it one more time  
Do it one more time  
Please  
Won't you do it one more time

You stayed when no one else would  
When i was delayed you understood  
I've done some low down things  
Alright but you said i was good  
I couldn't forgive myself  
But you could

Won't you please  
Please  
Won't you do it one more time  
Do it one more time  
Do it one more time  
Please  
Won't you do it one more time

I know i've made you promises  
Then i forget  
I've let you down darling  
I'm forever in your debt  
In my darkest hour i've  
Turned you out  
But when the mood has passed  
You came back in spite of me  
Saying "this love, this love was meant to last"

Oh baby

Won't you please  
Won't you do it one more time  
Do it one more time with feeling  
Oh baby  
Please  
Won't you do it one more time  
One more time  
Please  
Won't you do it one more time

With feeling
