Trains lie underground
We're on the same track
Up and down
You get so far
Then you ignites
Burning everytime
with your bridges
link to mine
You reach so hard
Then we could might

Refrain
Don't beat everything around you
And then be sad
Don't be everybodys hero
And then get mad
Don't be, (you can do it) sorry
Don't be
I don't want to hear about it
Don't be
I don't want to know about it
Anymore, anymore

Don't be I don't need to stars
To your trains gets back
Don't be sorry
Don't be
I don't want to hear about it
Don't be
I don't want to know about it
anymore, anymore
